

# If Men Are Like Buses, Then How Do I Catch One?: When You're Standing Between Hope and Happily Ever After

Readers have asked for more from Chicago talk show cohost Michelle McKinney Hammond -- especially women from her huge following of Christian singles. Buses will pick them up where two previous bestsellers left off, with counsel that is both enjoyable and instructional. The mood of the book is conversational, scriptural, with a touch of humor, Michelle says. Its the kind of book I wanted, but couldnt find, so I had to write it! Singles have been waiting too long to be caught up by human love. When they halt their pursuit and let Gods love catch their hearts, theyll be on board for the greatest discovery of all -- His true purpose for them. From the Trade Paperback edition.
