

Confessions of a Royal Bridegroom (The Renegade Royals)

They are the Renegade Royals, illegitimate sons of the Royal Princes, each finding his rightful place in society--and the woman destined to be his perfect match. . .Some men are born into scandal. Others pursue it with a passion. Griffin Steele, secret son of the Duke of Cumberland, is guilty on both counts. Yet somehow Londons most notorious scoundrel has been saddled with an abandoned baby boy--and with the unflappable, intriguing spinster summoned to nurse him. . .Justine Brightmore may be a viscounts niece, but shes also a spys daughter, determined to safeguard the infant when his suspected royal parentage makes him a target. Yet how to protect herself from the rakish Griffin? Marriage might shield her reputation, but it can only imperil her heart, especially with a groom intent on delicious seduction. . .Has all the elements of my favorite novels--a bad boy hero, a spirited heroine, a dash of intrigue, and a sizzling romance. Put her on your auto-buy list; you wont be disappointed. --Shana Galen
