

Doubting Thomas (Tarnished Saints Series) (Volume 1)

Thomas Taylor is a single father of six young boys, and also the prime suspect in his second wife's murder. All the residents of Thunder Lake believe he is guilty and Thomas has even been called an unfit father. He has prayed for an angel to guide him, but things only get worse when a pushy, nosey woman decides to stay at the Bed and Breakfast up the road. Angel DeMitre is a single mother who works for Child Protective Services. While on vacation she decides to go on an unofficial call. When she arrives at the lake late at night with her daughter and finds a little barefooted boy in the middle of the road and a man with a rifle in the shadows, she gets her first look at Thomas Taylor. However, as she gets to know this man as well as his children, she realizes there is more to him than meets the eye. A tortured man and an angel come together in challenging circumstances to try to change one's life, in Doubting Thomas.
