

## Everlasting: Book Two in the Evers, Texas Series (Volume 2)

A perilous homecoming Everlasting is the second book in the heart-soaring and electrifying Evers, Texas, series by New York Times and USA Today bestselling author Lori Ryan. A true masterwork of contemporary romantic suspense, it is the story of a beautiful artist returning home to danger, and to a love she never imagined. Exiled by her father, the town sheriff, at age four following the murder of her mother, Katelyn Bowden is finally coming back to tiny Evers, against the wishes of her now-dying parent. The new sheriff, ex-New York cop John Davies, fears Katelyn's life is in jeopardy from a killer who was never caught. Though she resents the handsome lawman her father has always loved like a son, Katelyn is confused by the passionate sparks that fly whenever they are together. But, will John be able to save her when a murderer finally emerges from hiding?
