

## Flirting With Destiny: Aedyn Book 1

Damn my father and damn this trip. He died and left his affairs in a mess for me to settle. If I return to my hometown, I know the inevitable will happen. Ill run into Lauren Mitchell! When someone blasts a hole on your heart, like Lauren did to me, it tends to stay open and seeing her again will not ease the pain. Aedyn Dell Cumberland left his small hometown after watching his mother pass away in the hospital the night of his high school graduation. In the years to follow he distanced himself completely from the small town and was transformed from a member of the geek squad to a handsome and successful businessman. When he finally returns to attend his fathers funeral, he runs into his high school crush, Lauren Mitchel. Old feelings hed wanted to be left buried are stirred up until he learns about Laurens short-tempered boyfriend. Can a couple miss their destiny the first time, and then get another chance at it? Or will Aedyns heart remain a puppet for which Lauren holds the strings? Dont miss the latest erotic romance, Flirting with Destiny: Aedyn Book 1, by New York Times Bestselling author, Eve Carter. ?
