

## Heaven Eyes (Signature)

Erin, January and Mouse live in a childrens home, Whitegates. They often dream of escape, and frequently journey into the outside world. Running away is something they know all about. But this time January builds a raft, and the three of them head precariously down river. Towards the Black Middens. This time they might never come back. When they stumble across a disused factory and its strange inhabitants - Grampa and Heaven Eyes - they wonder if theyll even have the choice. Heaven Eyes is the girl who should have drowned at sea. The mysterious girl desperately searching for her family, hoping that these three might be the family she has lost. She has a secret history only Grampa knows. And does he trust these three invaders enough to tell them? Erin feels a sisterly responsibility for Heaven Eyes, Mouse longs to belong anywhere and anyhow, but January thinks Grampas a murderer. Whatever happens, all three have a part to play...A stunning novel from the author of the modern childrens classic Skellig - winner of the Carnegie Medal and the Whitbread Childrens Book Award. David Almond is also winner of the 2010 Hans Christian Andersen award.
