

Jackies Triple Play (A Menage, Sexy and Short Romance Book 3)

This is the sequel to *Take Three, Please*, and *Three for Cici*, short stories also available for borrowing in the Kindle Unlimited program. Jackie finds menage magic of her own at Morgan's Bakery. Jackie believes the universe has sent her a sign when she discovers what her secretive friends, Morgan and Cecile, have been doing with their trios of handsome suitors. When she crashes her car into a tree and the accident is investigated by three of the sexiest patrol cops in the city, Jackie is certain she's meant to follow in her friends' unconventional footsteps. Unlucky in love, Officers Gil, Quincy, and Liam have sworn off dating. Cute and quirky Jackie makes them reconsider that decision, and they believe she'll soon choose one of them for her own. But Jackie has no intention of singling out one hot cop. With the universe on her side, she'll settle for nothing less than the perfect triple play. **Warning -- Contains explicit language and scenes of a sexual nature only suitable for adults.** This short story is approximately 22,500 words long, 80 print pages. Stories in the Menage, Sexy and Short Romance series are best read in order: 1. *Take Three, Please* 2. *Three for Cici* 3. *Jackies Triple Play*
