

Lost (Hidden Series Book Two)

With her bullies and other hidden pains buried in her past, Christine is trying to enjoy her new life with her friends and soul mate. But for her, nothing is ever easy. Her powers are spinning out of control and must be tamed by the woman who saved the world, the same woman who is predicted to die in less than a month. As time ticks closer to Lydias death, Christine tries to find a way to keep her alive. But how can she save Lydia when the future is showing that she will be the one to kill her hero?
