

Made For Breaking (The Russells) (Volume 1)

When she was nineteen, Lisa Russells life turned upside down and kept turning. Now, at twenty-four, shes a bartender, a receptionist, and too jaded for her own good. An only child, shes served as daughter and son to her father, tagging along with his mechanics and security contractors. She tests his rules and his patience, absolutely fearless until someone from her fathers past reaches out to deliver a mysterious threat. With bouquets of flowers, and a strange note, a killer with a bone to pick brings a terror to her world shes never known. Prize fighter Drew Forester knows only two things: that hes good in the ring, and that hes instantly attracted to his new bosss daughter. Hes been charged with tailing Lisa Russell, keeping her safe, and keeping his hands to himself. Its a tall order, though, because Lisa takes too many risks and because its not just about the job anymore. Its about the girl.
