

## Mist (BLUE-LINK) (Volume 2)

A mysterious footlocker washes up on Livvy McKays shoreline. Minutes after recovering it she retreats to her home, only to be assaulted by an intruder. Unable to pursue him, she is startled by a knock at her door. A stranger is looking to rent a boat from her business, McKAYS CHARTERS. Livvy doesnt believe in coincidences. Especially when the stranger is wearing black?just like her assailant. Jack Morell is a desperate man. After receiving a cryptic phone call from his uncle?a call spiked with the sound of gunfire in the background, he is frantic to locate his uncles ship. Warned to use discretion, Jack opts to rent a boat from McKAYS CHARTERS for his search. A defiant Livvy grills Jack, but deems that he is not her assailant. In fact, she learns that the trunk belongs to his uncle. Together, they uncover its contents, and now they are being hunted. Someone doesnt want the world to know what is in that trunk. Someone who is well-connected. Unable to trust the authorities, Jack and Livvy have only each other. Will it be enough to survive the Atlantics frigid clutch?
