E.R. nurse Leila Matthews whole life turned upon one single sentence: Brody, Im pregnant. What she thought would be the happiest day of her life became a nightmare as she was abandoned by the father of her soon-to-be-born child. If her friend Jaxon wasnt there to pick up the pieces, she couldnt have coped. Then what had started out as a deep and abiding friendship became a soul-searing love. Yet, while Jaxon is the man of her dreams, Leila doesnt want her child to grow up not knowing its father. The situation, a triangle involving tortured pasts and unstoppable passion, will test everyone involved. Both suitors will seek forgiveness for terrible mistakes, and Leila will soon be pulled between two powerful men: a handsome CEO who owns all he surveys, and an ex-soldier whose M.C. teeters on the brink of the unforgivable. Leila must choose the man who is perfect for her future and for the future of her child.
