

Rodeo King: Dustin Lovers, Book 1

Caleb Johnson, King of the Rodeo, is on his way to becoming Wyoming's national champion...until an ornery bull sidelines him with a potentially career-ending injury. Returning home to recuperate puts him in the path of Rosemary Carmichael, the girl he deserted to become a rodeo star. Now he's got to figure out what he really wants: returning to the rodeo circuit and going for that big, national prize, or convincing the woman he loves that he wants a life with her...and the son he never knew he had.
