

Savor (Succubus Kiss Book 2)

(New Adult Paranormal Romance - This is Book Two in the Succubus Kiss Series.) Succubus Kenna Blake has been infected by a wraith. The infection is just the beginning. As the wraith slowly gains control, Kenna must fight to keep a firm hold on her succubus nature, before she disappears completely. Following the only clue her mother has to offer, she tracks down the infamous Luke Bloom, owner of Love Potion #9, hoping for the answers she desperately needs. Unfortunately, Luke doesn't harbor the magic that could rid her of the wraith and save Kenna's soul, but his twin sister, Lexy, does. The problem: Lexy Bloom relinquished her magic five years ago and went into hiding. As Kenna finds herself plagued by nightmares created by the wraith, she vows to do whatever necessary to rid herself of its darkness. Until she learns her only escape comes in the form of a rare spell requiring a shocking cost.
