

## Snare (Delirious book 1)

Obey Mister Brand and let your mind be seduced by darkness ... USA TODAY BESTSELLING AUTHOR Clarissa Wild brings you SNARE, the first book in the dark Romance suspense Delirious Series. His secrets will destroy her. Taken. Humiliated. Used. With his smart mouth, dirty talking and possessive behavior, Sebastian Brand has me hooked in the most shameless way. Im obsessed with him. However, now that Ive escaped the mental hospital, he seeks to control my every move. The overwhelming aloofness in his attitude and darkness in his mind tells me there is more to this man than sheer dominance. Depravity is his playground and pain is a necessary evil. Keeping me away was his first instinct. Capturing me was his second. Claimed by a man with the exterior of an angel and the mind of a brute, I will do anything to unveil his secrets and face my own demons. A body in exchange for freedom. A heart in exchange for truth. Life is never a given. Only a certain death. This is Volume 1 in the Delirious Series, which contains 3 volumes and a prequel. These books should be read in order. WARNING: This book contains very disturbing situations, strong language, drugs and alcohol, and graphic violence. Contains a cliffhanger. Reading Order: SEEK (#0.5) - FREE! (Also included in Snare) SNARE (#1) (also includes Seek) SEIZE (#2) - Available now! SCORCH (#3) - March 2015
