

## The Black Wolf (In the Company of Killers Book 5)

From New York Times, USA Today & Wall Street Journal best-selling author J.A. Redmerski, comes a dangerous and boundary pushing new crime and suspense series, In the Company of Killers.---Reading Order-#1 - KILLING SARAI#2 - REVIVING IZABEL#3 - THE SWAN & THE JACKAL#4 - SEEDS OF INIQUITY#5 - THE BLACK WOLF#6 - BEHIND THE HANDS THAT KILL---Since devastating secrets were uncovered by Nora Kessler, Niklas Fleischer and Victor Faust have been divided as business partners and brothers. Ultimately Niklas is persuaded to lead a mission to Italy, and he sees it as an opportunity to set in motion forgiveness--or retribution--for his brothers betrayal. The mission: play the role of a wealthy German investor and kidnap a beautiful, notorious madam named Francesca Moretti.No stranger to these types of roles, Niklas is the best man for the job, but this time the risks will be much greater as he will not be doing it alone. Izabel Seyfried, still fresh out of a life of imprisonment and sex slavery, could be negatively affected by the things she will see in Morettis mansion, and Niklas must keep her in line so she does not blow their cover and get them killed. But Niklas isnt the only one who must play a role--Nora takes on the humiliating task of playing Niklass slave, and Izabel must play the role of his lover. On one hand, Niklas couldnt be enjoying himself more. On the other hand, the emotions that continue to rage inside of him may be too much for him to control, and it may be Niklas--not Izabel--who needs to be kept in line. He cannot forget what Victor has done, and this mission may just be the beginning of his downward spiral.Can the blood bond that Niklas and Victor share as brothers be stronger than resentment? Or will vengeance dig the blade so deep that their bond be eternally severed?
