

Witness (Otter Creek Book 1)

Four burglaries. Three assaults. One murder. Not the crime stats Police Chief Ethan Blackhawk envisions for his first two weeks on the job. Ethan uncovers a link to his past, an assassin who bested him five years ago and again hunts in his territory. He welcomes a second chance to capture the assassin...until he falls in love with the only witness. This time a failure to unmask the assassin may cost Ethan everything. Wielding a sharp knife, personal chef Serena Cahill dices vegetables and dishes dinner for clients. When she interrupts a crime in progress, Serena steps into the crosshairs of an international assassin. After a friend disappears and her business implodes, she joins forces with Ethan to trap a killer before he takes out the next target--Serena.
