

Twist

When his younger brother loses interest in online dating, hot, bearded, bartender extraordinaire, Joe Collins, only intends to log into his brother's account and shut it down. Until he reads about her - Alex. Alex Parks is funny, friendly, and pretty much everything he's been looking for in a woman. And in no time at all they're emailing up a storm, telling each other their deepest darkest secrets ... apart from the one that really matters. And when it comes to love, serving it straight up works better than with a twist.
