

## Absolution - The First Book Of The Vampire Immortalis Trilogy

According to the towns goths, nothing ever happens in the rural town of Melrose, but that's all about to change with the return of Scotland's most infamous vampire, the Hundeprest. It is up to vampire, Anna Dieterlins, to bring this vicious killer to justice. In doing so, Anna will redeem herself in the eyes of the Vampire Immortalis who spared her from certain death because of her rare gift of visormortis: the ability to see a vampire committing murder in your mind's eye. Help for Anna comes in the shape of the one man she thought she would never see again, Adam McLeod. But is he still the same man whose life she saved all those years ago?
