

At Bluebonnet Lake (Texas Crossroads Book #1): A Novel

Her life is set to warp speed. His is slowing to a crawl. But love has its own timing. Marketing maven Kate Sherwoods world is fast-paced, challenging, and always changing. The last thing she wants to do is grind to a halt at Rainbows End, a dilapidated resort in the Texas Hill Country. Still, she cannot deny her ailing grandmothers request to visit the place where she and her deceased husband spent one glorious week fifty years ago. There, Kate meets Greg, who appears to be the resorts unassuming handyman. But theres more to Greg than meets the eye--billions more, in fact. Kate isnt looking for romance, but she cant deny the sparks of attraction that fly every time she and Greg are together. Could there be a future there? Or will Kates long-sought promotion take her back to the big city? Amanda Cabot invites you to step into a place away from the pressures of the day. You might be surprised by what you find at Rainbows End.
