

Lawful Deception (Vernetta Henderson Series, Book 5)

Pamela Samuels Young has once again crafted a page-turner that will keep you engrossed until the very last page. If you're a fan of smart legal thrillers with brisk pacing, crackling dialogue and edgy, intriguing characters, *Lawful Deception* is for you. --Dwayne Alexander Smith, Award-winning Author of *Forty Acres*

The beautiful Bliss Fenton won't be winning any awards for Mother of the Year. Truth is, motherhood isn't nearly as important to Bliss as the cottage industry she's created: extorting wealthy men for the hefty child support she can collect. But Bliss greed goes too far when she takes on Fletcher McClain. The handsome music industry mogul refuses to accept her conniving conduct lying down. He retains high-profile attorney Vernetta Henderson to sue Bliss for fraud. Enter Bliss unscrupulous attorney, Girlie Cortez, who has a personal score to settle with Vernetta. As the two lawyers once again go head to head, their legal battle quickly escalates from merely contentious to downright deadly.
