

Game of Fear (A Montgomery Justice Novel Book 3)

Brilliant kids from all over the country are disappearing but no one knows why. Until now. In the cockpit, Search and Rescue pilot Deb Lansing is in control: her flight, her rules. But after the suspicious disappearance of her supersmart younger sister, she knows this is one rescue mission she can't fly solo. She needs help. She needs Gabe Montgomery. An earth-shattering betrayal led former SWAT officer Gabe Montgomery to his current deep-cover assignment. But he trusted Deb Lansing with his life once before and she pulled him through. Now it's his turn to repay the feisty redhead even if it threatens to blow his covert op. As Deb and Gabe get closer to the answers and closer to each other, their investigation reveals a startling pattern: gifted kids from all over the country are going missing after mastering the popular video game Point of Entry. And when bodies turn up, the new lovers will face a ruthless fiend known only as the Warden. Will they be able to find Deb's sister, or will she vanish like so many others? Another pulse-pounding Montgomery Justice novel proves that a Montgomery man always plays to win.
