

Invisible (An Ivy Malone Mystery Book #1): A Novel

Shes not your average crime fighter! Meet Ivy Malone, an inconspicuous older woman who has a mutant curiosity gene that often lands her in trouble. Unlike most women her age, she snoops and pries her gray-haired self into one hilarious escapade after another. So when vandals romp through the local cemetery, Ivy cant help but put her snooping eyes to work as she launches her own unofficial investigation. Despite her unconventional sleuthing, Ivy soon becomes discouraged by her failure to turn up any solid clues. And after Ivy witnesses something ominous and unexplained, she cant resist putting her investigative powers to work again. Even the authorities attempts to keep her out of danger and her nosy neighbors match-making schemes cant slow Ivy down. But will the determination that fuels this persistent, spunky sleuth threaten her very safety? I laughed out loud.
