

In Search of My Last 1st Date

Your SoulMate is only a click away--swirling around in cyberspace--waiting for you to log on for love. Finding a SoulMate online is possible at any age, but for Boomers it can present distinctive challenges. This practical step-by-step playbook demonstrates how to shortcut the tedious matching process and take control of your search for the One. The author and her savvy male Internet buddies share adventures and insights that reveal the not-so-glamorous, behind-the-scenes reality of what happens when mature Singles get online to get hooked up. In Search of My Last 1st Date is a step-by-step guidebook that will help single Baby Boomers pick their way through the sometimes perilous and potentially heart-wrenching Internet dating dance. It includes tips, techniques and tales, plus matches, astonishingly frank e-mail exchanges describing their escapades. Is your SoulMate MIA? Heed their advice for a less stressful, more successful search. Play by the seven Ground Rules and circumvent the uncertainty, rejection, and dishonesty that often accompany cyber-dating.
