

Heart Of The Wolf (Eye Of The Storm Book 3)

The third book in the dark paranormal fantasy series, Eye Of The Storm. Lydia becomes ever closer to her three mates. However, with unrest all around, she is struggling to keep her wolves together for her first full moon, just twenty-four hours away. A trip back home for Ryan could bring much needed support for them all, but at what cost? As The Trident close in on Ryans pack, the pack itself becomes divided over Lydias presence and Lawrence is encouraged to return as the Alpha. But they dont know his secret, and hes doubtful of his ability to protect them. Can he fulfil his rightful role, or will his efforts prove fatal? Meanwhile, among the arid plains of Egypt, in a long-forgotten city, one man is pitting himself against the beast inside him in order to find salvation, only to realise, so much more is at stake than his soul. 18+ (adult scenes and very strong language, including scenes which some readers may find uncomfortable) Paranormal fantasy Medium novel length at over 63,000 words Written in British English Reading order: 1.
