

## The Reformation (The Phoenix Project Book 2)

Book 2 in The Phoenix Project Series Trying to escape from the Phoenix District got Andie two things, a broken arm and a broken spirit. While Andie feels like she might be losing it, she has a bit of hope to hold onto. Everyone else in her family may have been taken away from her or have gone missing, but she has Lina. So shes going to do what Burton Crane ordered her to do and genetically alter the Residents brains so theyre the cooperative, docile humans he requested. While analyzing the Residents genetic data, Andie finds that theres more than one District. And while Andie tries to hold on tight to the few things she has control over, Crane has one last surprise for her. This is the Reformation. Society has been fractured and this is just the beginning of changes to come. This is the second book in The Phoenix Project Series, you might be a bit lost if you jump in at this point. Reading Order: 1. The Phoenix Project 2. The Reformation 3. Revelation 4. Inception (Winter 2014)
