

Inferno (Phoenix Rising Rock Band Book 1)

Im a rocker with the eyes of the world on me. Waiting for my triumph or my downfall just waiting. Most of my life is in my hands. My destiny? Thats another story. My destiny isnt as debt free. My band, Phoenix Rising, arrives in Houston to cut a new album. Before we perform our first concert in the city and I choose my groupies of the night, Im thrust into debauchery. Sleeping with a gorgeous woman twenty years older than me has its perks, especially when her husband orchestrated the encounter and eagerly watches. To me, performing is performing. If a man wants to share his wife, who am I to stop him? Unfortunately for me, I dont make a clean getaway as I leave the McCall mansion. Georgie, their sixteen-year-old daughter, is in the midst of her own intrigue, sneaking home in the middle of the night after an evening of drugs and sex with her older brothers best friend. In her, I see me. Shes lost and drifting. Her hedonistic parents insist shes old enough to make her own decisions. Instead of time and love, they give her money and things. Im a twenty-five-year old international superstar and I know better. Im cocky and arrogant. I know it so I own it. Somehow, Ive always bested the fates. I have all to lose my reputation, my career, and my freedom. Her mothers jealousy forces my hand and I take Georgie on the tour. This is our story and our secret relationship and the destruction of my life. You know the adage about secrets? Three may keep a secret, if two of them are dead. Wise words from a wise man. If only I had listened. Secrets have a way of revealing themselves in the harshest way.
