

Inked Destiny

The righting of an ancient wrong. A future foretold. The bands tattooed around her wrists are laced with a dragons green and moredestiny preordainedMind Thief. Gift Thief. Feared for an ability to seize anothers thoughts and powers with a touch. San Francisco tattoo artist Etain is such an elfand the time has come for her to learn how to use her talents.Close to the transformation and about to discover her place in a supernatural world, Etain once thought intimacy and permanence were impossible. Now shes bound to Cathal, the son of an Irish mobster. And shes also claimed by Eamon, an Elven lord with powerful gifts of his own.Eamon is determined to keep her safefrom others as well as herself. But a quest for justice is more than it seems, leaving their future to hinge on choice and magic. On promises made and dangerous bargains.
