

Intergalactic Affair: Romantic Suspense, Sensual Romance

Krista made a vow to avoid men at all costs, until a sexy spaceman lands in her life. After a car accident that killed her cheating fiancé and left her physically and emotionally scarred, Krista Roberts puts her modeling career on hold, hoping to find elusive peace by living a rustic life in the Arkansas Ozarks. Her vow of avoiding men quickly changes when JT, a sexy spaceman from another galaxy, crash lands on earth and into her life. Together they discover love and feelings that are alien to them both, all the while trying to keep JT from being captured by government agents.
