

## Bedroom Gyno Exam (Medical, Forbidden, Menage)

First Time Jasmine is caught red-handed by her father. Now she must convince him that she isn't as naughty as he thinks while Dr. Bowing and Dr. Crewly examine her. 18-year-old Jasmine is getting her feel up by Adam when her dad catches her. College Bound Jasmine must convince her father that she is still his little princess. The only way that's possible is by bringing in doctors to prove that Jasmine is still pure and untouched. Inside the bedroom, during the examination, Jasmine wants to stop the procedure. Unfortunately, the paperwork is already signed so Dr. Crewly restrains and takes Jasmine as Dr. Bowing finishes his inspection. She knows that their rough and hard nature is not a regular part of the exam, but she wants to get back at her father and succumb to her sexual desires. She is taken by her two doctors as her over-protective father waits outside the bedroom.
