

Into the Dream [The Arcadians] (Siren Publishing Menage Amour)

[Menage Amour: Erotic Sci-Fi Menage a Quatre Romance, M/F/M/M, shape-shifters, HEA] Allison Summers is having the mother of all bad days. As a surgeon, Allie is a strong woman who has led a difficult life. She is fighting to make the best of her situation, but everything changes when she is struck by lightning and finds herself transported to another world. Arcadian Princes Tynan, Cael, and Ryder Dracor have been looking for the woman who will complete their souls. Born in a world with a shortage of females, they fear that day will never come. When a goddess suddenly appears, they are shocked, but know they want her as their mate. Allie wants to go home, but now that they've found her, they don't want to let her go... When wills clash and legacies are unveiled, it seems as though Allie was destined to become part of this world. But as she struggles with her new life, can she find a way to truly be happy and embrace being an Arcadian? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
