

Into the Deep

This is possibly one of the most addictive books I have ever had the pleasure of reading...Epic. Unforgettable. Heartbreaking. A must read. Natasha is Book Junkie. There is drama and heartache, and the sizzle between these two is scorchingly hot...Like every other book by Samantha Young, this one is fantastically written. Tammy Blackwell, Author of the Bestselling Timber Wolves Trilogy Into The Deep is an incredible read. The attraction between Charley and Jake will leave you breathless. It is full of heartache and anger and misunderstandings, but it is also full of beauty and love and second chances. Readers Live a Thousand Lives Mind blowing. Intense. Arousing. Heartbreaking and heartfelt. As always, Samantha hits it off the charts with one of the most engrossing love affairs EVER. - Tsk, Tsk, What to Read? Live young. Live hard. Love deep. Charley Redford was just an ordinary girl until Jake Caplin moved to her small town in Indiana and convinced her she was extraordinary. Almost from day one Jake pulled Charley into the deep and promised he was right there with her. But when a tragic incident darkened Jakes life he waded out into the shallows and left Charley behind. Almost four years later Charley thinks shes moved on. That is until she takes a study year abroad in Edinburgh and bumps into none other than Jake Caplin at a party with his new girlfriend. The bad-boy-turned-good attempts to convince Charley to forgive him, and as her best friend starts spending time with Jakes, Charley calls a truce, only to find herself tumbling back into a friendship with him. As they grow closer, the spark between them flares and begins playing havoc with their lives and relationships. When jealousy and longing rear their destructive heads, Charley and Jake struggle to come to grips with what they mean to one another. And even if

they work it out, there is no guarantee
Charley will ever trust Jake to lead her
