

Bad Boy (Invertary Book 5)

A Bad Boy trying to be good, a Good Girl driven to be bad and a five year old who wants to rule the world Being good is so freaking hard. And boring. Flynn Boyle has only been doing it for a couple of hours and already hes had enough. For some reason everybody thinks hes out of control when all hes doing is living his life, having fun and trying to get over an injury thats ruined his soccer career. Now hes being blamed for the fact Abbys family want to take her kid from her. Hes got one week to prove he isnt a bad influence on Abby or her terrorist child. If he screws this up Abby loses the kid and Flynn loses his chance to get into his sexy neighbors bed. Hes never backed away from a challenge on the field or off. He can be good for one damn week maybe hopefully
