

# INVISIBLE MAGIC BOOK ONE: ALEX NOZIAK (Alex Noziak Novels 1)

Hidden from a world unaware of magic, a recently and only partially trained group of operatives known as the Invisible Recruits are the only ones willing to stand between mankind and those powerful preternatural factions seeking to change the balance of power and gain world domination. Alex Noziak, part witch/part shaman, anticipates facing dangerous preternaturals out for blood . . . not fashion week. But when the rookie agent is sent undercover to find out who, or what, is behind a series of world-wide thefts of top-secret intelligence, Alex tangles with the Seekers.

Seekers hunt gifted human individuals like Alex and her squad whose rare powers can keep the balance between human and nonhuman squarely on the side of the humans. Her simple assignment turns into a battle of survival for everyone involved when she crosses Bran, a mysterious warlock, who might be her only ally or worst enemy. To save the innocent, Alex must call upon her untested abilities, but at what cost? Be sure to click Look Inside to get a taste of Alex Noziak's world of witches, wizards, magic and danger.
