Gemma and Jason Lucas lead a life less ordinary, where kink and wealth combine to bring exotic opportunities. Gemma - a billionaires wife and a Dominants submissive. One public persona, the other very private. Her personal journey takes her to many places physically, mentally, and kinky. She must continually put her faith in her husband and cast aside her turbulent past. Her future is an uncharted map of erotic pleasure. Settled into married life, Jason has almost all that he desires. Constantly striving to seek out new erotic adventures, his passion is to have his wife become his submissive all day, every day.
