

Italian Nights

Hannah and her sister, Megan, have been given the trip of a lifetime. They are cruising the Mediterranean Sea. Starting at Rome, they are working their way counter-clockwise through Florence, Monte Carlo, Barcelona, Sardinia, Sicily, and Pompeii. Life is their playground. And then Hannah meets Brandon. Brandon is strong, intelligent, loyal, and everything Hannah could possibly dream of in a man. He has also just walked in on his fiancée in bed with his best friend. Hannah is willing to wait as long as it takes for him to work his way through this betrayal. And then all Hell breaks loose ... Half of the authors proceeds of all Ophelia Sikes books benefit battered womens shelters. Italian Nights presents all five novellas in the Italian Nights series in one complete set! It includes the novellas Loves Heat, Carved Into My Heart, Lost in Darkness, Loves Labyrinths, and Flames and Tears. Due to the strong sexual content and adult situations, this book is recommended for readers aged 17+. The first four novellas have cliff-hanger endings, which lead to the final novella with a happily-ever-after. I come from a family which adores Italy. My parents strive to go every year, and Ive been several times there myself. I took this very cruise through the Mediterranean Sea and wrote my notes while I traveled. The sights, sounds, aromas, and atmosphere of this exotic region are just as I personally experienced them. If you havent been to Italy, Monaco, Spain, or France, I highly recommend it. Even if you have to save a little each year to make it a trip of a lifetime, it is well worth it. These locations are the cradle of civilization. The art, food, and culture created here resonate throughout time. In the meantime, enjoy this virtual vacation written from my first-hand experiences!
