

## Training the SECRET (Corrigan & Co.) (Volume 6)

A woman who's already lost too much, but still has more to give... The government couldn't protect a teenage Jade Garrett, but Corrigan & Co. could. She joined the Society, and has built a life for herself, surrounded by friends who love her, and the man who doesn't. Thinking she's finally safe, she runs home to her ailing father, leaving her new life behind. A man who escaped his past, but not the hold it has on him... Nate Anderson doesn't hesitate to go after Jade, finally admitting that he loves her. Being with her helps to keep the darkness inside of him at bay, but he knows it's only a matter of time before the ugliness of his past rears its head, demanding payment for his sins. When one SECRET is discovered, the rest will follow, and all the training in the world may not be able to save what's broken.
