

Deciding Love (Bloomfield Series) (Volume 3)

Chloe Morgan had a pretty simple life, until her father moved them to a new town and a new school for her senior year. Learning to adapt isn't easy, especially after finding out she has an older brother she never knew about. All Chloe wants to do is get through the year in one piece. Except things get even harder when her new friend's older brother, Kyle Briggs, keeps ruining all her well-laid plans. It's a love/hate relationship. She's just not sure where the emphasis lies—on the love or the hate? ***While this book can be read as part of a series that includes *Brush Strokes* and *Simple Beginnings*, all books stand alone and don't necessarily need to be read in order to enjoy. For mature audiences.
