

Surviving the Alpha - The Complete Story: A Paranormal College Shifter Werewolves Action Adventure Romance

An Exciting Trip Twenty years old and ready for adventure, Kayla is traveling to England with a group of classmates. With her best friend at her side and a whole new country to conquer, this new adult is buzzing with excitement. But it seems fate has other plans by sending her plane crashing onto a deserted land of snow and forest. A Dark Traveler Last seen in Conquest of the Alpha by Jessica Caspian, catspaw Jagger is on the run after the destruction of his former master Lucas. His luck has always been bad, and being in a plane crash is pretty awful, but Jagger has a way of thriving in times of trouble. Rise of a Hero Now its time for Sonny to step up and take action. A typical nerd by nature, no one would have expected this young man to possess the skills they need to survive. But as he takes on the role of alpha male in the group, he seems to be the only one capable of keeping them alive. That is, until the survivors start to disappear... Please enjoy reading Surviving the Alpha by Jessica Caspian and please consider purchasing some of her other stories. Surviving the Alpha is 30,000 pages and written explicitly for the mature One by one, with a mess of blood and claw marks left behind, the group of survivors is quickly shrinking. In the night, a beast emerges from the forest with glowing red eyes, staring straight through the group as if they weren't even there. But this is no ordinary creature, and the face is familiar to all of them. Just hours ago, he was one of them. Only now does the word come to mind that none of them had ever even thought to consider WEREWOLF New meaning in their once stilted relationship After growing up as childhood friends, Kayla has never been able to see Sonny as any more than the boy with his nose in a book and only useful when she needed help with her homework. But now that their lives are at stake and Sonny is the one keeping them all alive, Kayla suddenly

sees him in a new light. Even with all the action going on outside, the two can barely keep their hands off each other. Inside the broken remains of the plane where they are keeping sheltered, it is all go for erotica, a place to forget their fears. Jealousy in the mind of another survivor. With long black fingernails and an abundance of tattoos and piercings, this punk rock girl Jesse is an unlikely friend, but she has quickly become inseparable from the pair of love birds. Now, Jesse has turned her eyes on the pretty, blonde form of none other than Kayla. When she finally resigns to her growing urges and joins them in the carcass of the plane, the three of them find themselves sharing an intense ménage that seems to wash all their worries away, at least for the moment. But the werewolf pack is still on the hunt, and growing more every day. The survivors have come face to face with the alpha male of the new pack Jagger, who seems to be toying with them all as he grows his numbers. It's come time to hunt or be hunted, to join Jagger in his twisted game. Running from a shifter isn't easy. Something has to be done, they can't run forever. Ever the quick thinker, Sonny is forming a plan, but even if by some miracle they survive the night, how can they escape the pack and get home to their loved ones? Take a wild ride with this new adult fiction, packed with both heart-pounding action and steamy erotica. You will soon find yourself immersed in the world of the survivors, engaged in their ménage à trois and their fight for survival, as you run for your life alongside them through the dark, icy woods. *A 10,000 word bonus story from Pyramid Moon Press is included
