

Kansas City Cover-Up (The Precinct: Cold Case)

Political intrigue, an undercover investigation and a very mutual attraction. As the Kansas City Police Department's arch-enemy, reporter Gabriel Knight never expected to need its help. But the sexy journalist suspects the death of a politician's aide will shed light on the long-unsolved murder of his fiancée. He demands to team up with tough, beautiful detective Olivia Watson. Sharing a mutual distrust and a disturbingly mutual attraction, Gabe and Olivia discover that someone's working hard to keep old secrets buried and stop their investigation dead. But as they come closer to the truth, they edge closer to each other. Until now, neither has had room in their lives or hearts for a relationship. Yet all that could change if Gabe can prevent them from becoming tomorrow's headline.
