

Doomsday Love: An MMA & Second Chance Romance

If you're thinking this is the typical MMA romance...you're wrong. When we were ten, he treated me like a friend. When we were eighteen, he wanted nothing to do with me. And now that we are twenty-two, he longs to claim every single inch of me. He was wild--untamed. And I, a reckless girl, who loved too hard. But, what we had was special. I was his serenity and he my protector. Drake was consumed by my love...but he also took advantage of it...He'd broken my heart--left me hanging for years. He ruined us. And, now, he's back. He wants me. And I want to hate him, I really do. But, who am I kidding? No one can deny Drake Davenport. You can't hide from the almighty DOOMSDAY. Because he is a fighter. And, just like me, he loves hard. He never loses and he will fight as hard as he can if it means winning me back.**Doomsday Love is a 149K word novel and it is a STANDALONE.
