

## Just Shut Up and Do It: 7 Steps to Conquer Your Goals

What makes some people successful in life? In *Just Shut Up and Do It*, bestselling author and success expert Brian Tracy shares a simple, practical, proven seven-part method that will help you accomplish more in the next few months and years than most people accomplish in a lifetime. In its simplest terms, your ability to get started and keep going until you complete those things that are most important to you and to your company is the key to winning, to happiness, to a great reputation, and to success in life. There are no limits to what you can achieve.
