

## Justice Served

The hunt for an informant in the ranks draws Lieutenant Rebecca Frye, her lover Doctor Catherine Rawlings, and Officer Dellon Mitchell into a deadly game of hide-and-seek with an underworld kingpin who traffics in human souls. Newly promoted Detective Lieutenant Rebecca Frye once again assembles her unorthodox team of lovers and friends to bring a deadly informant in the police department to justice. Aided by J. T. Sloan, a cyber sleuth with a personal score to settle, Rebecca soon discovers the conspiracy extends far beyond the police department into the underworld of those who trade in human souls. Pressured by her superiors, driven by the private need to avenge her murdered partner, and determined to succeed, she must put one officers life at risk and her own heart on the line.
