

Wild Nights: A Justiss Alliance Novel

The courageous men of USA Today bestselling author Tina Waincott's Justiss Alliance series never give up and never make a promise they can't live up to, especially when love is on the line. Saxby Cole's latest mission at Decadence, a hedonistic tropical resort, sounds like a plum assignment for a confirmed bachelor, but he isn't here to mingle. There's a dangerous prostitution ring drugging innocent women, and Sax has come to take them down. After dumping her cheating fiancé right before their Caribbean vacation, Jennessy Shaw goes alone, hoping to explore her wild side. But by the end of the first night, she's not sure she has one. Which is why it's so shocking when she wakes up in a sexy stranger's room with no memory of the night before. Sax wants to send this sweet beauty home, but Jennessy turns out to be a valuable partner in his investigation. Even more surprising is the sudden need he feels to keep her close. Diving together into the dark shadows of this island paradise, Jennessy lets Sax into her heart and discovers a passion she never knew she had.
