

Tamed (Torn Series) (Volume 5)

Mistakesmy life has been full of them. Time and time again, Ive tried to change, tried to make the right choices, but it doesnt matter. I always screw up. I hoped that Adam would be different, that he wouldnt be a mistake. Our relationship was supposed to be about sex and nothing more. Fun, easy, simplethat was what we wanted. But things are never simple, not for me. Adam changed me. He made me the person I am today. I hate who I am and what Ive become. Im not proud of the things Ive done. I thought my greatest mistake would be falling in love with him.

I was wrong. My greatest mistake is much, much worse. Ive lost control. I have a secret I cant hide. Its going to destroy everything. My name is Amber, and this is my story.
