

Kace: #2 (Allen Securities) (Volume 2)

Jessica Tamm is just trying to get ahead in life and escape the cloud of her fathers criminal past. Though, itd probably help if she hadnt taken a job managing a club owned by the head of the local Irish mob. As far as shes concerned, her own discomfort is a minor price to pay to earn the money she needs for her sisters education. Unfortunately, the Russians interested in taking over local organized crime dont seem to care that her job has nothing to do with the criminal world of her boss. Monitoring the Russian and Irish mobs is just another step in the promotion ladder for cop Kace Allen, or at least thats what he keeps telling himself. Babysitting a mob boss club isnt what hed call a fun time, but the scenery, particularly the sexy manager, is nice. Too bad he cant trust the daughter of a criminal who works for a criminal. Hes sworn to uphold the law, and no one, not even a beautiful woman, has made him question that before.

When the temperature rises between the Russian and Irish factions and Jessicas caught in the middle, Kace starts to see the lines between good and bad, law-abiding and criminal, are a lot blurrier than he ever realized.
