

Karma Kameleon

Karma is back, but this time she's not completely to blame. After surviving a heart-wrenching tragedy, Lexi Marshall is determined to find happiness with her wacky, new-age family. Stumbling through her first few months of motherhood, she's achieved the perfect balance living with her son, the love of her life, and her best friend and his lover. But happily-ever-after all under the same roof doesn't last long. For one thing, Rich doesn't exactly agree living with everyone is ideal. With their gay/straight double wedding fast approaching, he wants to find a place of their own instead of continuing to sponge off of Marcus and Kevin. But Lexi isn't ready to give up her easy lifestyle...or the never-ending wisdom of her lifelong best friend, Marcus. Torn between assured comfort and true happiness, Lexi has to make a choice, and fast. Will she lose everything, or can she trust Karma, and have it all? **WARNING:** Title contains some explicit sexual scenes and strong70,873 Words
