

## Treys Secret (Mills & Boon Cherish) (Silhouette Special Edition)

SOMETIMES KEEPING A SECRET Left for dead in a ditch by the side of the road, Trey Harper had no idea why he was in Granger, Montana, although it was clear someone wanted him out of the way. The smart thing would be to lie low until his memory returned. Maybe then hed recall why hed been targeted and remember his own name. MEANS TELLING A LIE When the broad-shouldered cowboy walked into her establishment, Lori Ashworth automatically assumed he was the new bartender shed been expecting. Troy Jones couldnt be more perfect for the job for her. Until his past caught up with him and she realized she had to forgive her employee on two counts. For stealing her heart and for doing it with a lie.
