

Long Summer Nights (Mills & Boon Blaze) (Where You Least Expect It, Book 3)

Getting away from it all and having it all! Journalist Jennifer Dale is on assignment, pretending that staying in upstate New York is the greatest thing ever. The only bright spot? The wickedly sexy man living across the lake, who swims in the buff. Now, there's some wildlife a girl can enjoy watching over and over and over. When Jennifer suffers a slight boating mishap, her fantasy guy comes to her rescue. Turns out Aaron is hot enough to switch her from a damsel in distress into a damsel undressed! But he's more than a hot summer night between the sheets. Aaron's also an award-winning author who disappeared from the public eye. Revealing all could be the scoop of the century!
