

Vicious Cycle (A Vicious Cycle Novel)

New York Times bestselling author Katie Ashley revs up the danger and sexual tension in her brand-new Vicious Cycle romance series. Deacon Malloy's life is dedicated to the Hells Raiders motorcycle club. Tough, hard, and fast with his fists, he serves the group as sergeant at arms. But his devil-may-care approach to life is thrown for a loop when the five-year-old daughter he never knew existed lands on the club steps. Alexandra Evans is devoted to all her students but there's always been something about Willow Malloy that tugs at her heart. There's an aura of sadness about her, a girl in need of all the love Alexandra can give. When Willow stops coming to school, Alexandra's search leads to a clubhouse full of bikers and a father hell-bent on keeping his daughter always within sight. The moment Deacon sees Alexandra, he has to have her in his bed and he's never met a woman yet who couldn't be persuaded. No matter how attracted she is to Deacon, Alexandra refuses to be just another conquest. But it's Deacon himself who could be seduced into a brighter future for himself, his daughter, and the woman he's falling for against all odds.
