

# Keep it Clear: Personal Excellence through Clarity of Self

For the past twenty years, Michael Johnson has lived and worked up and down Australia's east coast, in almost every industry you could name, gathering experience and studying topics from eastern philosophy to personal finance on his path to becoming an entrepreneur, personal trainer, martial arts instructor and life mentor. Now he hands you the keys to personal mastery, success, and achieving your goals, in *Keep It Clear*, a new book on self-development that distills decades of hard-won wisdom into eleven easy-to-digest chapters that affirm that value of faith, optimism, reflection, and a relentless commitment to self-improvement. *Keep it Clear* will instruct, challenge, and inspire you on your personal journey, lifting your spirits and lending you strength as you learn and focus on what's most important in your life, and what you most desire.
